TENDER NOTICE

1. Instead of:

“13. Deadline for receipt of bids

The bidders’ attention is drawn to the fact that there are two different systems for sending bids: one is by post or private mail service, the other is by hand delivery.

In both cases, the bids must be received before the date and time limit for submission.

Bids must be duly completed and received by the PEA on or before **19th April 2023 at 14:00h CET**.

Any bid received to the PEA after this deadline will not be considered.

The PEA may, for reasons of administrative efficiency, reject any bid submitted on time to the postal service but received, for any reason beyond the PEA’s control, after the effective date of approval of the Offers Evaluation Report, if accepting bids that were submitted on time but arrived late would considerably delay the evaluation procedure or jeopardise decisions already taken and notified.”
