

The Regional Challenge Fund

The Regional Challenge Fund equips vocational training institutes with the machinery and infrastructure they need to train students on the skills enterprises need today. The RCF makes it easy for enterprises to partner with the right VTI to conduct a training program that fits their needs.

What are the Benefits of Cooperative Training for Enterprises?

- ✓ Increases the productivity, competitiveness, and innovativeness of participating enterprises.
- ✓ Participation has a positive impact on reputation and increases competitiveness in the labour market
- ✓ Supports businesses plan growth strategies based on realistic predictions on workforce availability
- ✓ Students may bring enterprises fresh perspectives and make it easier to realize innovative solutions
- ✓ Upgrade of in-company trainer's skills contributes to capacity building within the enterprise

How does the RCF support enterprises in the COVID-19 pandemic?

- ✓ Supports businesses to become more resilient and respond with agility to the new realities of work-based learning
- ✓ Supports effective digitalization of practical learning
- ✓ Supports businesses to create innovative training solutions and to mobilize talent
