Regional Challenge Fund Third Call for Expressions of Interest

The Regional Challenge Fund (RCF) enhances the sustainable competitiveness of businesses in the Western Balkan 6 on the way to the EU single market through financing VET providers addressing skill needs in cooperation with companies. The grants are allocated through a competitive regional challenge.

The German Federal Ministry for Economic Cooperation and Development commissioned 64.43 million EUR for the RCF, and the Swiss Government, represented by the SDC Swiss Development Cooperation, co-financed an additional 9.7 million CHF. The funds were commissioned to the KfW Development Bank and executed by the Western Balkans 6 Chamber Investment Forum (WB6-CIF), a joint initiative of chambers of commerce from the region.
