Q1	We have following question regarding Section III. Qualification and Evaluation Criteria, 1. Qualification, 1.2. Requirements and Criteria, Table 4. Experience - For the type of equipment procured under this solicitation, it's quite difficult to find companies in the region who supplied in one contract at least 280,000.00 EUR. Even if it is the same project, there are different invoices issued. Could you please accept to prove the experience of at least 540,000.00 EUR sales of similar equipment in the last 5 years with 2 or more contracts/references combined?
A1	The tender dossier for the procurement of “Machinery, Kitchen and Bakery Equipment” (Reference No. RCF/KOS/G/2023/027) refers to point 4.1, "Similar Experience" : <i>A minimum number of similar contracts, as specified below, that have been satisfactorily and substantially completed as a Supplier or joint venture member during the past 5 years prior to the bid submission deadline. The requirement is for 2 contracts, each with a minimum value of EUR 280,000.</i>
